

MADISON IS READY TO TEST!

October 6–14, 2022

Dear Parents/Guardians,
From October 6–13th, students will participate in the NWEA MAP Math Assessment. The test will be administered during students' math block.

What is the NWEA MAP Test?

MAP is an adaptive achievement and growth test. It creates a personalized assessment experience by adapting to each student's learning level. This allows for accurate measuring of progress and growth for each individual student.

WHAT DOES MY STUDENT NEED FOR THE TEST?

Students will need:

- Personal water containers
- Headphones
- Fully Charged Chromebook

With support and encouragement from school and home, your child will have a successful testing experience.

Strategies For Success

01

Good & Peaceful Nights
Rest

02

Healthy & Hearty
Breakfast

03

Peaceful morning
