

Get Sleep! Fuel Up! May is State Testing Month at Madison. Beginning May 2 students will be taking the CAT first thing in the morning in their Advisory class. The testing dates and bell schedule appear below. The Science test will only occur for 8th graders during their science classes. Please avoid scheduling out of school appointments during testing time and encourage your child to eat a good breakfast, be well-rested, and bring a water bottle, wired headphones (not blue tooth), and their charged laptop. There will be make-up opportunities for unavoidable absences.
